

CORPUS CHRISTI & St. JOHN ATHLETIC ASSOCIATIONS present.....

Challenger Sports enjoyed another successful year in 2009, one which allowed us to coach over 96,000 players across North America and Canada. This year promises “to be our best ever” and with this being a World Cup year, every child will have the opportunity to be exposed to the Greatest Shown on Earth and we are aiming to bring our innovative, challenging and fun brand of soccer coaching to well over 110,000 players in 2,500 communities.

The great news is.....Challenger Sports is bringing British Soccer Camp back to **Corpus Christi & St. John AA** this summer, **July 12th -16th**

Your child deserves the biggest and best soccer camp this summer so please make sure your child is one of the 110,000 lucky players to experience “The Challenger Way”.

You can sign up for this summer’s British Soccer Camp by clicking the corresponding week at the top of the page, which will take you straight to your registration page - you will then have your FREE 2010 replica game jersey mailed out to you within two weeks.

For those of you that have already signed up, please wear your FREE jersey as much as possible and be the envy of everyone at practice, games and at school.

See you in the summer!!!!
